Dear Sister Joanna,

I am happy to know that you are open to help a child in our school. Thanks a lot.

Your adopted child is Fatou BA. Her father is Mamadou BA et her mother Mbayang SARR. It is poor family with many children in the house.

Now Fatou is 5 years old. She is in our kindergarden, in the 3rd level. You can see her photo joined as a file.

This year, for Fatou, the fees are about 85 €.

Thank you very much for your help, I am full of gratitude for you interest to Fatou.

May God bless you in this Lent time.
